

BMW Motorrad
Heritage Certified

Rusted metal, cracked rubber and dried up leather.
I wonder who rode it for the very first time?

Perhaps it has seen the capitals of Europe.
Maybe just the floor of a dusty barn in Maine.

With the first twist of a wrench,
we uncovered a secret.

By the last nut we tighten,
we'll have revealed a soul.

MAX BMW Motorcycles

America's first BMW-endorsed vintage service center.

This motorcycle has stories. Follow along as we document the restoration on our Web site at www.maxbmwmotorcycles.com.

For restoration inquiries, please call Max Stratton at 866-629-2691.
