JANUARY 2007

BMW Motorrad
Heritage Certified

Rusted metal, cracked rubber and dried up leather.
I wonder who rode it for the very first time?

Perhaps it has seen the capitals of Europe.
Maybe just the floor of a dusty barn in Maine.

With the first twist of a wrench,
we uncovered a secret.

By the last nut we tighten,
we'll have revealed a soul.

MARCH 2007

Our photos don't come from the manufacturer,
they come from the events we ride.

Twelve MAX BMW customers competed in the
2007 Sandblast Rally in February on machines ranging from
John Joy's 1986 R80 G/S, to Mark Albertson's 2006 HP2.

David Hubbard piloted the latest offering from BMW,
the 2007 G650 X Challenge.
